La Jolla Celebrates Completion of Fire Station Renovation

Council President Scott Peters joined Mayor Jerry Sanders, San Diego Fire Chief Tracy Jarman and representatives of the La Jolla Sunrise Rotary Club on Friday, July 20 for a celebration marking the completion of a major renovation project at Fire Station 13.

The project included the creation of new sleeping areas for firefighters, separate living and work areas, renovated restrooms and facilities upgrades such as new appliances, furniture and landscaping.

The renovation project was the brainchild of Trip Bennett of the La Jolla Sunrise Rotary. The Rotary club raised \$450,000 in cash and in-kind donations from more than 200 individuals and 50 businesses.
